

Ingentis
org.manager

Professional org charts, analytics & visuals

org.manager is perfect for drag-and-drop modelling and works in all supported browsers. It allows for automated and uncomplicated data updates.

SAP® Certified
Built on SAP Cloud Platform

SAP® Endorsed App
Premium Certified

How does it work with SAP?

- ✓ Data remains in the SAP Data Centre
- ✓ Simplified Security Sign-off
- ✓ Integrated into Employee Central
- ✓ Enhanced org charts & analytics
- ✓ Workforce modelling & writeback

SAP SuccessFactors

Running on the SAP Business Technology Platform, org.manager can be launched directly through the SAP SuccessFactors user interface, including SSO.

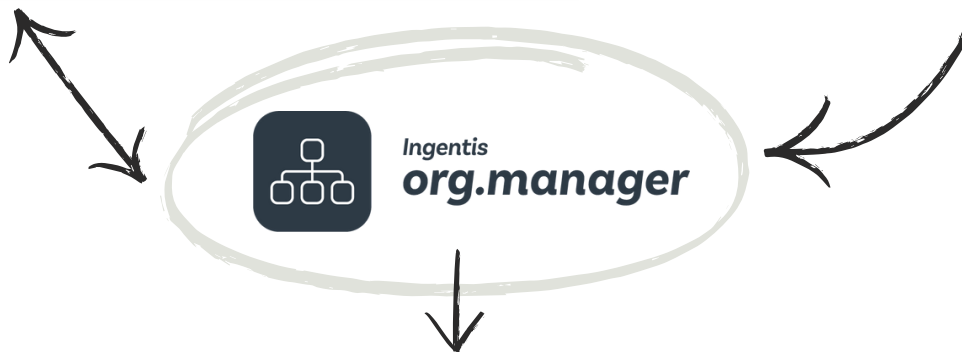

With SAP native integration & org.manager you can create org charts & HR reports with your existing data in seconds.

Primary Source - Payroll Master Data
